Mr. G. Warnock  
National Resources Development, Inc.  
3620 Wyoming Blvd., NE, Suite 201  
Albuquerque, New Mexico

Dear Mr. Warnock:

Attached hereto is a copy of a document entitled "Mining Plan", Attachment I, Mining Lease No. AT(05-1)-ML-60.8-NM-B-1, which was submitted to the Contracting Officer, ERDA, on March 11, 1975, pursuant to Article XIV of Mining Lease No. AT(05-1)-ML-60.8-NM-B-1. The maps submitted with the Mining Plan and identified as Topographical Map No. 103-007-015-T-2 and Drill Summary Map No. 103-007-015-M-1, are deemed to be part of the Mining Plan.

The development plan that your company proposes for Lease Tract NM-B-1 is hereby approved subject to the provisions of Article XII and Appendix "C" of the subject mining lease and the following requirements:

1. Waste and low grade uranium-bearing material moved during the proposed operations shall be stored only within the bounds of the lease tract.
2. Uncontrolled fires shall be reported to the Superintendent, Eastern Navajo Agency, Attention: Branch of Land Operations, Crownpoint, New Mexico; Phone (505) 786-5224.
3. In the event that subsurface water is encountered, it shall be impounded only on the lease unit, unless otherwise approved by the Contracting Officer.

4. Water bars shall be constructed on the lease tract in accordance with requirements and construction standards as described in Attachment II hereto.
5. Topsoil to a depth of at least three feet shall be removed from the mining area and stockpiled separately for use as cover material over waste used to fill the mined out area when the mined area is reclaimed, recontoured and revegetated.
6. Personnel working on the proposed mining operation shall be made aware of the stipulations set forth herein and in Article XII and Appendix C of Mining Lease No. AT(05-1)-ML-60.8-NM-B-1.

It is understood that, under the proposed mining plan, the powder magazine, cold storage, work shop, office, and fuel storage tanks are to be located off the lease unit as long as access to the lease tract is available over Section 24, T13N, R11W, NMPM.

We have received your performance bond of \$2,000 which is deemed to be sufficient to cover your activities under the Preliminary Exploration Plan, heretofore approved, and under the Mining Plan as approved in this letter.

This approval is conditioned upon faithful compliance with the terms and conditions set forth herein, and is restricted solely to the activities described in the attached Mining Plan, but excludes future exploration. Activities not described in this plan shall not be undertaken until and unless a supplemental plan is submitted to and approved by the Contracting Officer.

Sincerely,

Contracting Officer

Attachment I - Mining Plan  
II - Water Bar Spec.
